

Future Hope: The Coming Collapse of the World System

Revelation 17-19

1. To have future hope, we must discern the nature and coming destruction of the world system (Revelation 17:1-18:8)
2. To have future hope, we must understand that many will grieve the collapse of the world system, yet heaven will rejoice (Revelation 18:9-19:10)
3. To have future hope, we must understand that Jesus will return as Judge to the earth (Revelation 19:11-21)
