Church On The Move Through Deepening Discipleship

Acts 10:1-48

The openness to the Gospel continues to extend beyond the borders of Jerusalem. A man by the name of Cornelius is moved by God to call upon Simon Peter for greater spiritual insight (Acts 10:1-8). Simon Peter is challenged by God to expand his scope of God's activity. He realizes that God loves Israel; however, Simon Peter is less sure how much God loves the entire world. During Simon Peter's encounter with Cornelius he realizes the depth of God's love for all people (Acts 10:9-33). Simon Peter must reject his favoritism and realize the fullness of God's plan. Not only is God's plan moved forward through new conversions, but Simon Peter's personal discipleship is deepened (Acts 10:34-48).

Reflection Point –

What are blind spots in your own personal discipleship that God wants you to address? How are you growing in your discipleship in an effort to expand God's mission?
