At the beginning of a new year, it is important to realize what God has done in the previous year to move the ministry of Liberty Baptist Church forward. I would like to celebrate eight specific things that God did here at Liberty in 2018. I believe we have made advancements in creating greater community in Sunday School, diligently listening to the congregation through a survey and personal meetings with Sunday School classes for great ministry planning, a fresh emphasis on evangelism, bringing our nursery and children's ministry to a new level of development, developing a strong youth ministry team, generously giving to eliminate church debt in four more years, developing a comprehensive security system and team and developing a full-scale master plan for our campus.
